

## Schedule of Temporary Parking Lot Closures Residential Slurry Seal Program

**UPDATED 08/11/2014 @ 10:53 AM: Advisories and location maps will be posted and distributed via the City's Website. The West Newport Community Center/Gym Parking Lot has been removed from the schedule for August 12 & 13 and will be done at a later date as part of a separate project. San Miguel Park has been moved to Thursday, August 14 only due to Contractor scheduling issues.**

**Contractor:** American Asphalt South, Inc. (909) 427-8276.

**City Project Manager:** Alfred Castanon, [acastanon@newportbeachca.gov](mailto:acastanon@newportbeachca.gov), 949-644-3314

Slurry seal work in residential street areas has been completed and the Contractor will begin work on City parking lots starting on July 28<sup>th</sup>, 2014. The following parks and facilities will have their parking lots closed for re-sealing and re-striping on the dates specified below:

- **ENSIGN VIEW PARK & THEATER ARTS CENTER** **Monday, July 28<sup>th</sup> & Tuesday, July 29<sup>th</sup>**
- **BOB HENRY PARK** **Monday, August 4<sup>th</sup> & Tuesday, August 5<sup>th</sup>**
- **AVON PARK** **Monday, August 4<sup>th</sup> & Tuesday, August 5<sup>th</sup>**
- **SAN MIGUEL PARK** **Thursday, August 14**
- **CENTRAL LIBRARY** **Friday, August 15<sup>th</sup>**
- **LIFEGUARD HEADQUARTERS** **Wednesday, September 3<sup>rd</sup> & Thursday, September 4<sup>th</sup>**

The following information is provided to let you know what to expect and to help you manage around any temporary inconveniences.

- Parking lots will be closed to all traffic and access during their scheduled days.
- Normal working hours are limited to 8:00 a.m. to 4:30 p.m., Monday through Friday.
- "No Parking, Tow-Away" signs will be posted warning that vehicles parked within the lot will be towed away on work days. There will be no access, driving, and/or parking at the project locations on the posted days.
- Signs will be posted at each project location 48-hours in advance of the work.
- Please make alternate arrangements for parking your vehicle on nearby streets or other suitable lots should you wish to access the affected facilities on the scheduled dates.

To minimize any inconvenience to residents accessing the affected parks and facilities, slurry seal and re-striping work will last no more than two days at each location. Due to the high-volume of visitors to the Central Library, work on the Library parking lot will be limited to one (1) day. We appreciate your observance to these restrictions and any other traffic controls in the area.
